HELP US KEEP IT CLEAN

Together we can make a difference for everyone. Keep cleanup costs down to keep NITC prices down

- 1 There will be large dumpsters near the exit points and near many Porta Potty banks. Please use them.
- 2 Set your trash bags out near the road in front of your campsite. We will pick them up Saturday morning between 7am-11am. If we miss you, please take your trash bags to one of the dumpsters.
- 3 Close and tie off all trash bags. If you need more, they are free at our Will Call (limited availability).
- 4 On Sunday, clean up your entire campsite to the middle of the roadway in front of your site. Take all of your trash to a dumpster. Please leave your campsite how you found it.

OTHER BITS & PIECES

Home Means Nevada's limited-edition NITC tanks and tees are made to celebrate the NITC community and the culture of our Battle Born state. What makes our heart beat? Pure Country and Pure Nevada.
